From the Principal

I am delighted to inform you that despite all the challenges for students and staff over the last two years, and the uncertainty regarding exams and grade boundaries that Collingwood students achieved some outstanding results this summer. Further, we achieved an impressive ALPS progress score of 3 (top 25% progress nationally) for both 'A' level and GCSE levels which is a truly fantastic achievement!

All subjects are now being graded on a 9 to 1 scale, where 4 is described as a 'standard pass' and grade 5 is a 'strong pass'.

Like many schools we are calculating our exam statistics using existing benchmarks, where there are agreed equivalents as below:

Equivalencies	Good pass	Top Pass
Old style GCSEs	A*-C	A*/A
New GCSEs	9-4	9-7
BTEC/Vocational qualifications	Distinction*/Distinction/Merit/Pass	Distinction*/Distinction

Grades 9 & 8 are a very challenging standard, and so we are extremely pleased that 37 students secured a grade 9 or 8 in Maths and that there was a total of 18 grade 9s in English Language and English Literature. There were 5 students who achieved fabulous grade 9s for all three of their Sciences. About a **quarter** of our students achieved 5 or more top grades (9-7) including English and Maths.

Below is a summary of our students' GCSE achievements in 2022:

- **81%** of all GCSE grades (2386 entries) were at grades 9-4
- **29%** of all GCSE grades (2386 entries) were at grades 9-7
- **15%** of all GCSE grades (2386 entries) were at grades 9-8
- **78%** achieved 5 or more 4+ grades
- **72%** achieved 5 or more 4+ grades including English and Maths
- **54%** achieved a 5+ grade in English and Maths
- **74%** achieved a 4+ grade in English and Maths
- **76%** achieved a 4+ grade in Maths
- **90%** achieved a 4+ in English Language or English Literature
- **71%** achieved a 4+/4-4+ in at least two sciences

Results for the Sixth Form continue to be outstanding for grades awarded at A*-B for A level or Distinction*/Distinction for BTEC. All the students who wanted a university place were successful. We are also very pleased to support more students to secure places on higher level apprenticeships, as these can be a very attractive alternative for many.

The students who took exams at the end of Year 10 achieved a **93%** pass rate in their GCSE RS short course with **78%** of students gaining a 9-4 grade. We also had 22 students who studied full course RS and **91%** gained a grade 5+ with **over 40%** a top grade!

The students who took a one-year course in Year 9 were rewarded with excellent results too. As a consequence, more **than 70%** of the current Year 10 cohort already have a qualification graded 4 or better which bodes well for future examination success!

At Collingwood we are committed to developing responsible, aspirational, independent, happy and well-rounded young people but the curriculum must ensure that all students are able to follow a suitable range of courses so they can enjoy exam success. In 2022 **88%** of students achieved at least one 9-4 or equivalent grade and **almost 30%** of students achieved at least one 9-7 or equivalent grade. As parents/carers you will know this represents an incredible amount of hard work and commitment from our staff and students and we are all extremely proud of their achievements in this unprecedented year.

We are driven by our desire to ensure that students leave Collingwood with the appropriate qualifications to access their chosen career path and the personal skills to make a valuable contribution to society. Despite changes to performance league tables, we will continue to maintain a strong focus on maximising the number of students who can pass 5 good GCSE subjects, including English and Maths and 3 A level or BTEC subjects in the Sixth Form and allow students and parents to make the right choices regarding optional subjects.

Eden Tanner
Principal

September 2022

2022 Examination Results Summary

Year 13

Based on all entries for Year 13 students

	Overall						
Year	2016	2017	2018	2019	2020	2021	2022
