

GOLD DOFE PARTICIPANTS TAKE ON THE BRECON BEACONS FOR 2025

This year, 10 students have signed up for the DofE Gold Award and recently took two groups to the Brecon Beacons in Wales to complete their Practice and Qualifying Expeditions.

The weather was unusually kind to us this year and most days we had lovely sunshine although on the top of some of the higher mountain ranges the wind chill was down to between -3 and -7 as you can see from some of the photos. The good weather meant the views were spectacular and the sunrises and sunsets were breath taking, which all helped take their minds off the hard climbs, the blisters and the long days.

FROM THE PRINCIPAL ...

I hope you had a good half term week.

Status Racing Going from Strength to Strength!!

More success for our Status Racing team over the half term break at two events at the Lotus Hethel and Castle Combe tracks. At Lotus the team finished in third position overall and at Castle Combe they achieved second overall. Two more trophies for the team, as well as receiving the Portfolio Award for the Drive to Survive video created by Aviv. A great set of results for the team!

Sports Day

One of the highlights of the College calendar is the Sports Day event at Bracknell Athletics Ground. This evening event gives parents/carers an opportunity to see the outstanding sporting talents of our students at a specialist venue. The date is **Wednesday 18 June**, and your support would be very welcomed by staff and students - more details to follow shortly.

GOLD DOFE PARTICIPANTS TAKE ON THE BRECON BEACONS FOR 2025

CONTINUED FROM PAGE 1

The Practice group, Lexie Coster, James Dimmock, Jacob Porter and Ryan De Ruijter all battled to make a competent team having not really met before January this year. They demonstrated excellent skills in navigating, leadership, cooking and team work to successfully complete their Practice ready for their Qualifying/Assessed expedition next year. They now have a year to prepare for five days of expedition next April, alongside completing their other four sections of Volunteering, Physical efforts to keep fit, learning new Skills and completing their Residential section where they have to volunteer or learn a new skill for at least a week away from home and not knowing anyone else.

The Assessed group of Emily Green, Leona Miles, Connie Currie-Rogers and Harrison Taylor successfully completed their Qualifying Expedition and spent five days and four nights in the wilds of the Brecon National Park. Some of their camping included almost wild camping with only a tap of running water and nothing else. They had to survive with the equipment and food they had packed in their rucksacks and navigate a difficult course to climb Pen-y-Fan one of the highest ranges in the area. This group are a rare group who have done their Bronze, Silver and Gold together at Collingwood and although now depleted in numbers they have stuck together as a group of friends and learned to support each other in ways to overcome some of the many challenges they faced.

Alex their Assessor was nicknamed the 'Assassin' as he never smiled and just met up with them at various points, whilst still always tracking them. His knowledge of the area is immense, and they had to keep on their route or fear him giving them harder challenges to do each day. They rose to the occasion and successfully completed their expedition without any major incidents, which is an achievement in itself. They completed their written project on the Ecology of the Brecon Mountains to an audience of parents, SLT and Assessors alongside the Silver DofE participants.

They can truly say that this was the hardest experience of their lives so far, but they are interested to keep together as a group and maybe set themselves more challenges in the future. Now they just have to complete some of their remaining sections and then they will be off to Buckingham Palace next year, fingers crossed.

SEB BOWL RUGBY CUP FINAL AT THE STOOP

On a lovely hot day, the under 14 boys' rugby team played Rutlish School in the Quins Seb Bowl Cup final. The score was 19-40 against Collingwood but the score does not reflect how close the game actually was and the endeavour, determination and skill level was matched throughout; as Rutlish were able to roll on and off substitutes.

Rutlish got away from us slightly in the first half with Collingwood only being 1 try behind. In the second half we got our noses in front in the first ten minutes but unfortunately due to their rolling substitutes and fresh legs, Rutlish scored 3 tries in the last 5 minutes. Arran Baillie scored 1 try and Jace De Jager scored 2 tries. Vinnie Allen converted 2 tries.

Congratulations to everyone that played for Collingwood College this season. Furthermore, speaking with local rugby clubs, I have nominated 7 players from Collingwood for the Harlequins DPD trials this summer.

Players that were in the final (or injured and came to support) were:

Tom Bennett, Seamus Cushnahan, Chris Duffain, Oliver Hampton, Vinnie Allen, Josh Bailey, Arran Baillie, Jace De Jager, Elliot Edge, Archie Gibbs, Will Harris, Jacob Jackson, Thomas Lee, Sam Murphy, Huey Savill, Lucas Wye

STUDENTS ENJOY THE GREAT OUTDOORS

On Tuesday 20 May a group of students travelled to Wellington College to participate in an Outdoor Education Day. Here is an account from one of the attendees ...

I would like to say thank you so much for allowing me to go to Wellington College for this school trip - it was so much fun.

We took part in lots of fun activities that are based on ropes and teamwork. However, my favourite part of the experience was the spider web because every time we tried, we were saying how it is impossible and we cannot do it, but in the end we managed to go through the spider web and that shows how you should never give up. The spider web is an activity that requires patience, talking, lifting and let's not forget teamwork - you have to go through holes in the spider web without touching the web or you have to restart it.

STUDENTS TAKE ON MATHS CHALLENGES

UKMT Intermediate Maths Challenge

In January approximately 250 students took the UKMT Intermediate Maths Challenge, mostly in Kingston Theatre but some in their Maths lessons.

Following this Challenge, four students were invited to take part in the Maclaurin Mathematical Olympiad and the Pink Kangaroo competitions.

Maclaurin Mathematical Olympiad

As a follow-on round to the Intermediate Maths Challenge, the Maclaurin Maths Olympiad is a two hour challenge consisting of six Olympiad style Maths problems. Entry to the Intermediate Olympiads is by invitation based on a qualifying IMC score.

We are so pleased to celebrate in the success of Daniel Watts (Year 11) who was the only student invited to take part and achieved a merit in this highly prestigious competition.

Pink Kangaroo 2025

The Pink Kangaroo is also a follow-on round to the Intermediate Maths Challenge. It is a 60 minute, 25 multiple choice challenge. Entry to the Pink Kangaroo is also by invitation based on a qualifying IMC score.

Congratulations to the three students who were invited to take part. The top scoring 10% of participants will receive a Gold Kangaroo Certificate (Alfie Diggins-Barnes), the next 20% a Silver Kangaroo Certificate and the next 30% a Bronze Kangaroo Certificate (Arthur Voinescu).

Alfie Diggins-Barnes	Gold
Arthur Voinescu	Bronze
Jasdeep Kundal	Qualification

UKMT Junior Maths Challenge

The Junior Maths Challenge is open to students in Years 7 and 8, and is a 60 minute, 25 multiple choice Challenge. It encourages mathematical reasoning, precision of thought and fluency. The problems on the Junior Maths Challenge are designed to make students think, most are accessible yet still challenge those with more experience. 40 students took this challenge after College on Thursday 1 May and we would like to congratulate the following students who succeeded in achieving gold, silver and bronze certificates. Well done to all those who firstly agreed to attending after College to complete the challenge (there were no Maths lessons during the day for these year groups) and secondly for their success. All students who took part received a participation certificate.

YEARS 7 AND 8 STUDENTS ATTEND FRENCH 'GOÛTER' EVENT

Before half-term, a lovely group of our Years 7 and 8 students attended our French Goûter event.

'Le Goûter' is an afternoon snack French children have when they come home from school. A typical school day in France finishes at 4.30pm, but French people do not tend to have dinner until about 8.00pm, so children (and adults!) will have a snack.

Traditionally, French children will have a couple of biscuits, a little cake or a bit of baguette with some chocolate, and a drink (either mint or berry flavoured).

Our students did really well, giving everything a try, before writing their opinions of the 'Goûter' in French. Clear winners of the day were our Prince biscuits (chocolate-filling sandwiched between two butter biscuits), the barquette (boat-shaped cake filled with jam), our Milka chocolate and finally grenadine squash.

EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the Summer 2025 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

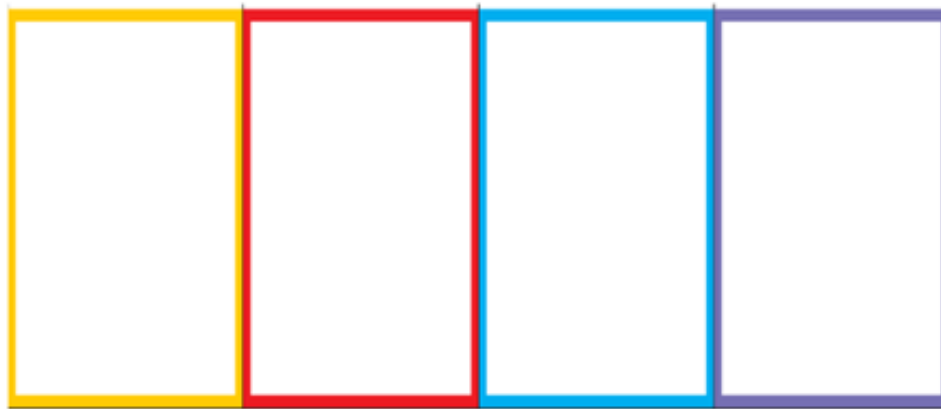

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you don't have your certificates when you need them in later life, the exam boards can provide a replacement statement of results, but it is very costly.

Important Reminders

Visits to School Site by Appointment Only

We would like to remind you that visits to the College site must be prearranged and approved through prior communication with College staff. This ensures the safety and security of all students and staff and allows us to manage our time and resources effectively. As we are sure you will understand, it is simply not possible for our staff to be immediately available as they have teaching, duty or meeting commitments.

Please do not come into College expecting to see a member of staff without an appointment as this will be a wasted journey for you and cause you lost time and unnecessary frustration. If you need to meet with a teacher, staff member or College leadership, please contact the College office to schedule an appointment.

3-day Response to Parental Communications

*We would also like to remind you that we have a **72-hour response** period for staff to reply to parental communications. It is obviously unreasonable to expect immediate responses to emails or messages when staff have full teaching and meeting commitments. This protocol also allows us time to investigate your communication and to reply with a detailed response to you. In all cases, we would ask parents to use the **tc@collingwood.surrey.sch.uk** email address to ensure communication is directed to the correct member of staff and to ensure an appropriate reply is made within 72 hours.*

I very much appreciate your understanding and co-operation in adhering to these procedures and thank you for your support in maintaining positive College-parent/carer relationships.
