From the Principal

We are delighted with the excellent results achieved by students in the summer which reflect the incredible amount of hard work by students and staff despite the challenges of the last few years. Furthermore, our GCSE results are above national averages and students at Collingwood, who attend well, whatever their starting point, **make great progress**.

All subjects are now being graded on a 9 to 1 scale, where 4 is described as a 'standard pass' and grade 5 is a 'strong pass'. Grade 9 is a very challenging standard, above that of an A*.

Equivalencies	Good pass	Top Pass
Old style GCSEs	A*-C	A*/A
New GCSEs	9-4	9-7
BTEC/Vocational qualifications	Distinction*/Distinction/Merit/Pass	Distinction*/Distinction

Grades 9 & 8 are a very challenging standard, and so we are extremely pleased that **34** students secured a grade 9 or 8 in Maths and that there was a total of **36** grade 9 or 8s in English Language and English Literature. There were 4 students who achieved fabulous grade 9s for all three of their Sciences and Maths. **16%** of our students achieved 5 or more top grades (9-7) including English and Maths. The results in the Further Maths Additional qualification with 100% grades, 9-5 and 84% grades 9-7 were also very impressive. Also, the Triple Science outcomes were fabulous with over 50% of entries achieving the top grades 9-7.

We had an incredible **22** students who gained 9 or more top grades!

Below is a summary of our students' GCSE achievements in **2025**:

- **75%** achieved a 4+ grade in Maths
- **75%** achieved a 4+ in English Language or English Literature
- **69%** achieved a 4+ grade in English and Maths (Basics)
- **44%** achieved a 5+ grade in English and Maths
- **100%** achieved a 4+ for Triple Science (Biology, Chemistry and Physics)
- **65%** achieved a 4+/4-4+ in at least two Sciences
- **69%** of all GCSE grades (2624 entries) were at grades 9-4
- **20%** of all GCSE grades (2624 entries) were at grades 9-7
- **10%** of all GCSE grades (2624 entries) were at grades 9-8
- **64%** achieved 5 or more 4+ grades
- **63%** achieved 5 or more 4+ grades including English and Maths

Results for the Sixth Form continue to be strong for grades awarded at A*-B for A level or Distinction*/Distinction for BTEC. All the students who wanted a university place were successful. We are also very pleased to support more students to secure places on higher level apprenticeships, as these can be a very attractive alternative for many.

The students who took exams at the end of Year 10 achieved a **94%** pass rate in their GCSE RS Full course with nearly **60%** of students gaining a 9-4 grade. We had **16%** gaining the top grades 9-7.

The students who took a one-year course in Year 9 were rewarded with excellent results too. Consequently, more **than 75%** of the current Year 10 cohort already have a qualification graded 4 or better and **22%** gained one of the top grades which bodes well for future examination success!

At Collingwood we are committed to developing responsible, aspirational, independent, happy and well-rounded young people but the curriculum must ensure that all students are able to follow a suitable range

of courses so they can enjoy exam success. In 2025 almost **90%** of students achieved at least one 9-4 or equivalent grade and nearly **40%** of students achieved at least one 9-7 or equivalent grade. which could be attributed to both staff and student dedication to striving for excellence!
